

Fellow racers,

A new season is upon us and that means membership renewals! As our world is still upside down due to Covid we need to adjust the way we renew the memberships for 2021. This is how we planning to do this.

1. Register online though MSR like always. We simplified the process as the medical requirement was removed mid 2020, and now you can submit the waiver for more than 1 person at the same time. Link to MSR :

<http://msreg.com/wckcmember2021>

2. When registering online make sure all waivers are submitted. If you don't submit the waivers your membership renewal will not be processed.

3. We will mail the key and membership card to you. No in person pickup of keys will be available for 2021.

It's VERY IMPORTANT that all the waivers are signed!!! We will have a huge number of memberships to process so if you don't submit the waivers properly you will go to the bottom of the pile.

As mentioned, we will be mailing the keys and membership cards to please make sure your address, name, etc on MSR is correct as we pull all the data from there. Yes we will have membership cards again!

We will be very busy processing memberships in the next few weeks so please allow up to 2 weeks before you receive your keys.

DO NOT WAIT TILL THE LAST MOMENT FOR RENEWALS! The locks will be replaced March 1st and if you did not register on time you will not be able to get access to the track if your membership and waivers for 2021 are not processed.

Your 2020 membership is no longer valid after February 28th.

Again, Don't delay! So please don't call me when it's a nice sunny day and you registered an hour before. I can't help you.

All the storage units have been processed, so if you have a unit you should have received the invoice. If you have a storage unit and you did not receive an invoice please contact me asap and I will fix it.

Thank you for joining WCKC in 2020 and we hope to welcome you all again in 2021!

Erik Gerlof
