

Fellow racers,

Those who renewed or signed up for a 2021 membership, check your mailbox for additional info.

As you are all aware the 2020 season ended February 28. We are currently processing all the membership applications and will be mailing the keys and membership cards shortly. Thank you for being patient as we printed 150+ membership cards and more to do.

We will be changing the locks to 2021 keys at the cleanup weekend and therefore the 2020 key will be usable till that time. However, if you did not renew your membership for the 2021 season you are NOT allowed to use the track even though you can get in with the 2020 key. Your waivers expired February 28th and if you didn't renew we won't have a valid waiver on file.

So, if you did not renew your membership please do so as soon as possible.

As you can imagine we are very busy processing memberships and waiting till the last moment will not help.

For the cleanup weekend and shakedown race, we are currently weighting our options in regards to what we can and cannot do. It doesn't look too good for the shakedown race but more information will follow in the next few days.

Thank you for your ongoing support and hope to see you at the track soon!
