

Fellow racers,

You receive this e-mail because you renewed or signed up for a WCKC membership. I would like to thank you for your ongoing support. At this moment 90% of the membership applications have been processed. We printed 150+ membership cards and we are putting them in the mail to your address. Please double check if the address you entered in MSR is correct as we will be using that data for mailing the key and membership pass.

We will not change the locks until cleanup weekend so please feel free to use the track by using your 2020 key. You all should receive the new key before the locks will be changed. Please make sure that if Pat contacted you that all your waivers are properly signed and submitted.

I did get a few questions about the volunteer bond registration. For those who did not pay off the volunteer bond I will contact you by e-mail at a later time when all the memberships are processed. We will be altering the way we register the volunteer bonds slightly compared with 2020.

Thanks again and looking forward to a great karting season!

Erik Gerlof  
President WCKC
