

Let's try again.....

WE ARE RACING!

Dust of your gear and get ready! We will be able to race this weekend. In order for us to be able to pull it off we will be running the following format.

As there is still a travel restriction in place and some might not be able to make it this will be a NON-Championship race. Let's call it a shakedown race! We will be running the same format as last year. Juniors on the Saturday and seniors on the Sunday. All additional rules and regulations as we had last year will still be in place. All these regulations are listed on the intro page of motorsport.reg registration page so please take a minute to read them.

We ask the membership to follow all the provincial guidelines and regulations that are in place.

As we are organizing this on VERY short notice we will try our best to get everything lined up as good as it can be. Please be patient and cooperative if you would like to join us this race. As last time only online registrations are accepted. Walk in registering will not be available.

Please use motorsportreg.com for signup. Here is the link:

If you have any questions or concerns e-mail or call and we will try to help you as good as we can.

See you at the track!
