

A new class for our club : The Kid kart class is for ages 5+ and is the clubs most entry level class for the youngest ages starting out into motorsports.

Our clubs first Kid Kart practice race will be held during the lunch break schedule on this coming Saturday's Juniors race day. It's not too late to join !!!!

Requirement: you must have previously run your kid at the track during a practice day and your child has displayed basic knowledge, awareness and understanding how to safely enter, exit and drive the circuit already.

If you are interested in running a kid within the Kid Kart class starting at age 5+ but have no prior track experience at the moment please contact kidkarts@westcoastkartclub.ca for further details.
