

Fellow racers,

Some very sad news came to us. Long time member Chris Genge is fighting an uphill battle against cancer, and is currently admitted at Vancouver General Hospital and could really use some encouraging words!

Chris has been a member of WCKC for many years and helped numerous members get addicted to our great sport. Anyone who knows Chris will acknowledge what a great and humble person he is. Please take a minute out of your day and send a postcard to:

Vancouver General Hospital
Cardiac Care Unit
Attn. Chris Genge
Jim Pattison Pavilion,
899 W 12th Ave,
Vancouver, BC V5Z 1M9

As a great alternative you can send an e-wish through Vancouver General Hospital by clicking this link:

Let's all show support and how much we care about our fellow members!

Erik Gerlof
President WCKC
