

Good morning fellow racers,

Registration for race 8 is now open! We will be running "the wrong way" aka reverse track. Don't miss out to run the track in reverse as we only do this one time a year!

Race 8 will be a one day format as we did last weekend. The format was well received and with kids going to school again the club decided it would be better to run both Juniors and Seniors on the one day again. Saturday will be official race practice from 9 am to 5 pm. As you will see on the schedule below there will be only one warmup session on the Sunday as we will have practice on the Saturday.

Important!! DO NOT PRACTICE IN REVERSE DIRECTION during midweek and weekends test & tune sessions!! The ONLY time you can practice reverse direction is the official race practice Saturday before the race.

Registration will be open on Saturday from 8 - 3 pm and Sunday 8.00 to 10.00.

See you at the track!

Erik Gerlof
WCKC
